

Our Students

Student Services 2019

When it comes to student success at Mohawk College, everyone plays a role. Understanding who our students are and the variables impacting their success is the first step to providing appropriate support and referral. We have a range of supports available to assist students in overcoming obstacles to graduation. Your support in promoting these resources helps to create the student-centred campus climate we pride ourselves on at Mohawk.

Age range[†]

17%	18 or under
31%	19-21
24%	22-29
9%	30+

28%
of our students come direct from high school
